

FILM SCREENING

**Tuesday, October 15 - 5:00 p.m.**  
**Harrison 301**

this church wants to scare the Hell out of you

# HELL HOUSE

Every year around this time, evangelical Christian churches across America stage "hell houses" as alternatives to Halloween haunted houses and as a means for proselytization. The Religious Studies Department of DePauw will be screening a 2001 documentary concerning the hell house put on by Trinity Church (Assemblies of God) in Cedar Hill, TX.

*Discussion of the film with Religious Studies faculty will follow.*
